

## Proud to be named an Alberta Early Learning and Child Care Centre

The Intercultural Child & Family Centre (ICFC) is excited to have been named one of 22 Early Learning and Child Care (ELCC) Centres across Alberta.

### What we offer

To be selected as an Early Learning and Child Care Centre, we were tasked with making improvements that go above and beyond other child care programs. Our program uses an evidence-based \*[child care curriculum framework](#). This program was developed by early learning and child care educators, early childhood academics, government, and professionals working in related fields. It is designed to foster improved early childhood development outcomes so your child can get the best possible start to life.

Starting June 1, 2017, we will also offer:

- More child care spaces,
- Capped parent fees at \$25/day care,
- Inclusive supports for children with diverse needs,
- Flexible child care hours on Saturdays – **start date yet to be determined**

### Waitlists

Thank you for your interest in our Early Learning and Child Care Centre program. Please understand that because space is limited, our program is offered on a first-come-first-served basis. To be included on our waiting list, please come into the centre to fill out paperwork.
